SECTION A - SUPPLEMENTAL INFORMATION

1. The purpose of this amendment is to make the following clarifications to the solicitation:
 - a. Electronic proposal submissions are acceptable. If sent via email, proposals must be sent to both of these email addresses: Peter.Brown@us.army.mil and Helen.Gonzales@us.army.mil. If proposals are FAXed in they are to be sent to FAX number (309) 782-3844 and sent to the attention of Mr. Brown or Ms. Gonzales. It is the offeror's responsibility to make sure that all electronic copies are submitted successfully.
 - b. Since there are multiple ways that the waste volumes can be determined, it is appropriate for the offeror's to specify the density or method used in developing the unit rate.
 - c. Page 2, paragraph 4 of the solicitation refers to the transportation of empty containers. This paragraph is revised to read: "THE GOVERNMENT WILL ARRANGE FOR TRANSPORTATION OF THE WASTE STREAMS TO THE PROCESSING OR DISPOSAL SITE AND THE RETURN OF ANY CONVEYANCES OR CONTAINERS SUCH AS GONDOLA CARS, RAIL CARS, INTERMODEL CONTAINERS OR ROLL-OFF CONTAINERS." It may also be assumed that super sacks and drums will be retained/disposed by the contractor. The release status required is specified on Page 7 of the solicitation (paragraph 4.2).
 - d. For clarification on truck verses rail: If the contractor owns/operates a rail spur, then they would bid on receiving materials via rail. They would be responsible to off load material and perform any incidental transportation to the processing or disposal site. If the contractor does not own/operate a rail spur they should bid on delivery via truck.
2. A correction is also made to Section L. Change the statement: "All offerors are required to submit a subcontracting plan in accordance with FAR 19.7804-4 along with their solicitations" to read "All offerors are required to submit a subcontracting plan in accordance with FAR 19.704 along with their solicitations.
3. Offeror's must acknowledge both Amendment 0001 and Amendment 0002 when they submit their proposals.
4. The time and date set for the receipt of proposals remains 2:00 PM CT on September 19, 2006.
